Campus Bulletin

The biweekly newsletter of the Indiana School for the Deaf

Number 15 March 28, 1997

Little things mean a lot...

> I don't do great things. I do small things with great love.
> (Mother Teresa)

But look at the BIG things we can do!

We received a letter earlier this month from the Indiana Department of Education regarding our accreditation status under the Division of Perfomance-Based Accreditation. The letter formally informed us that ISD was granted

Full Accreditation Status!

To compound this great news, last week ISD was sent a letter from the North Central Association of Colleges and Schools informing us that we will be recommended for the following accreditation status:

Accredited Without Warning for 1996-97!

The state committee recommendation will be reviewed by the full commission at their upcoming meeting in Chicago. Immediately after the meeting, we will be sent a letter with the Commission's formal decision.

Congratulations

Hearing aid batteries

Hearing aid batteries are now available, on a limited basis, in the Stellar Cellar and the Snack bar of the Middle School and High School Residence Halls. In an emergency, batteries may be purchased singly for those students who have forgotten to bring theirs from home. *(Linda Charlebois)*

Summer tutoring opportunity

If you are interested in being a reading tutor for a third-grade boy this summer, please contact Darlene Magnabosco at 290-9179 (V/TTY)

Marsh update

Don't forget: the Marsh Supermarkets' "Computers for Communities" program will end on May 1, 1997. As of March 14, ISD has earned **261929** points from the shopping habits of 205 community members. We will redeem these points for computer-related products.

Put on your dancing shoes!

Plans for the 1997 Prom are complete! The hosts, the Class of 1998, are proud to present "Friends Never Say Goodbye" on Friday, May 16, from 7 p.m. -12:00 a.m. Tickets can be purchased through May 5th from Amanda Stidham, Corey Stapp, Nikki McCormick, Mindy Jo Schmidt, and sponsors Kara Knebel, Scott Smith, Ron Borron, and Jill Lestina. Tickets are $30 per person, including dinner.

The prom will be at The Oak Hill Mansion
1805 East 116th Street
Carmel, Indiana

Happy Retirement, Miguel!

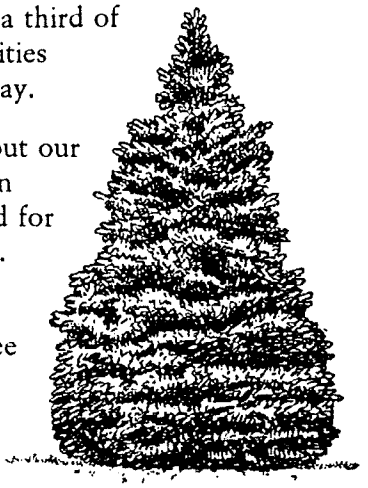
Miguel Rivera (Maintenance Plumber) will be retiring on Good Friday, March 28th. There will be a reception for him in Brown Cafeteria at 1:45 PM.

Miguel started here on December 18, 1975, making 21 years, 3 months, and 10 days of employment at ISD.

Congratulations, Miguel!!

Campus beautification idea

Join The National Arbor Day Foundation and get 10 free trees



America needs more trees. The United States has lost a third of its forest cover in the last 200 years. Our towns and cities should have twice as many street trees as we have today.

We need more trees around our homes and throughout our communities. We need more trees to protect our farm fields and our rivers and streams and to provide wood for our homes and a thousand products we use every day.

You can make a difference. When you join the National Arbor Day Foundation, you will receive ten free Colorado Blue Spruces, or other conifers selected to grow in your area. Colorado Blue Spruces have a silver blue-green color and a compact conical shape. They are guaranteed to grow, or the Foundation will replace them free of charge.

Trees are shipped at the right time for planting in your area, February through May in the spring or October through mid-December in the fall. Your six to twelve inch trees will come postpaid with easy planting instructions.

☐ **Yes! Please send my 10 free trees.**
My $10 membership contribution is enclosed.

Name _____

Address _____

City _____

State _____ Zip _____

National Arbor Day Foundation
211 N. 12th Street, Lincoln, NE 68508

You will also receive a subscription to the Foundation's colorful bimonthly publication, *Arbor Day*, and *The Tree Book* with information about tree planting and care.

Use the coupon on this page. Join today and plant your Trees for America!

Save your pots!

JSTC needs flower pots. When you buy new plants and flowers this spring, please recycle the pots they come in. Send any plastic or clay pots for JSTC to use when they separate many of the plants and flowers around campus. Help us to reduce, reuse, and recycle!! *(Becky Smith)*

Corrected

Vincennes University Schedules

(All courses require a minimum enrollment)

This question came up after the last Campus Bulletin: "It was nice of you to include the schedule, and thank you for doing it, but where ... was your head when you were doing it??"

Good question!! My apologies for any confusion. *(Jim Frenchik)*

Summer 1997 Course Offerings

Staff Development Briefs

If you would like more information on any of the following workshops you may contact the Staff Development Office which is located in Building 6 in room 223. The extension number is 414, but at the present time there is only a voice answering machine. We hope to have a TTY in the near future. You may also find additional information on the bulletin board outside the office.
